Description

~ French - Circa 1880 ~ ~~ Excellent condition, fully overhauled ~~ A beautiful original antique French portico clock by Japy Freres. It is made of white marble mounted with ormolu (finely gilded bronze). The movement is held aloft on two marble pillars with the ormolu pendulum swinging gently below. The dial is prettily painted with floral swags between the numbers on porcelain enamel. It is complete with it's original finely fretted gilt brass hands. The French movement is by Japy Freres and is of high quality. It is in excellent clean and running condition having been fully overhauled by our clockmaker. Pendulum is original with blued steel shaft and ormolu sunburst. It runs for 8 days and strikes the hours and halves on a bell. Click the video clip below to hear the bell and watch the clock running! Condition of the ormolu is excellent, beautifully clean and bright some slight discolouration and wear. The dial is also in excellent condition. Marble has some discolouration and nibbles to the edges. Japy Freres mark on the movement backplate Complete with original pendulum, bell and a suitable key. Full setting up instructions supplied if required. Dimensions of ...
