Description

A fine example of a large pair of solid Sterling Silver trumpet vases. They are stylish and good quality with a flared rim and slender tapering body with a circular foot and weighted base. They are each clearly hallmarked for James Deakin & Sons, Sheffield, 1924 / 1927. They are in good condition for their age. There are no major damages and they display beautifully. There are some faint surface marks and some minor dings commensurate with age but nothing detrimental. They have been gently cleaned and polished and are ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions please ask
