Description

A pair of Victorian Beech & Elm Splat Back Chairs. The chairs are a classic design and traditionally made from solid wood they are in the traditional Windsor style with splats to the back. These are very sturdy chairs; they are very sound, this is probably because they are so well made, the joints are all good, there is no woodworm or wobbling, the wood has a good natural patination and has not been stripped. This is a good quality pair of chairs and would be the perfect addition to any Farmhouse Kitchen. The chairs are 36" high at the back, the seats are 18" high, 13" wide across the front. HH124.
