Description

Good decorative pair of Art Deco frosted glass table lamps on brass bases, fully re wired and ready to use. I have shown them here with a pair of 16" diameter shades to give you a proportion, but they are just examples and not included in the price. The frosted glass is in good condition, not cracked, but there are scratch marks throughout both lamps as shown in the photos...adding to the character and age of them really! The brass bases are lovely too, cleaned and polished, but not overly so they retain their age. Measuring: 25" or 63cm to the top of the example shades 16 1/2" or 42cm to the shade cradle 7" or 18cm diameter bases Delivery to most England, Wales and Scotland addresses at £35 +vat, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
