Description

Antique silver Longines pocket watch and chain. The watch has a stem-winding movement, calibre 19.75N, which is working nicely. The movement is fully signed with the Longines name and the serial number, 3,016,063, dates it back to 1913. The movement is also stamped with the initials G.F for Grosjean Freres. Grosjean Freres were originally watch makers but went on to become Longines distributors. The movement is protected by a signed inner hinged cover upon which are details of exhibition medals won. The watch measures 50mm diameter excluding the winding stem and the loop. The case is 800 silver and there are Continental hallmarks inside both of the back covers. The inner cover has a handsome starburst pattern to the inside, while the inside of the back cover has the early Longines logo. The case has a couple of small knocks but they are insignificant. Originally there would have been a thin rose gold wash around the edge of the case but this has worn off over the years, and only traces now remain. The acrylic lens is in good condition. The signed white enamel dial is in lovely condition, with original ornate hands, a subsidiary seconds dial and outer minut...
