Description

Lovely pair of 1920's French hand painted glass lamps with a little gilt highlighting and pierced brass bases. Nice mid size lamps, so they could work as bedside lamps, or as general side lights. I have used a pair of 16" diameter shades to give a proportion, but they are just examples and are not included. The colour of the glass is almost opaline or a milk glass with a glaze or that. Some of the lamp body has cleaned a little more than others, but they still retain lots of their original age and patina. The hand painted lilies are outlined with a little gilding which is a nice touch. Fully re wired and ready to use. You could continue to clean the glaze if you would prefer, Measuring: 26" or 66cm to the top of the example shades 18 1/4" or 46.5cm high to the shade carrier 6" or 15cm diameter base Delivery to most England, Wales and Scotland addresses at £35 +vat, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
