Description

Very decorative single Corinthian column table lamp with a square ceramic base, finished with a gilt relief wreath. This is a good size lamp and is shown with a 15" diameter drum shade (example only and not included). The brass plated base has worn through in parts, so it has been cleaned and buffed as you can see in the photos, giving the lamp a great vintage look. The lamp has been re wired and is ready to use. Measuring: 32" or 82cm high to the top of the example shade. 22 1/2" or 57cm to the shade cradle. 5 1/2" or 14cm square base. Delivery to most England, Wales and Scotland addresses at £20 +vat, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
