Description

Pair of French antique gilt wood corner tables with marble tops, in excellent condition & dating to around the 1860-80's period. Please enlarge all the images to see the fine detail in the carvings & condition. The marble tops look like they are original to these tables & so does the gilt work. These tables are fine quality & I don't think I have ever had a pair of these before. They would need to be attached to the wall in situ. Width – 28 inches, 71 cm Depth – 21 inches, 52 cm Height – 42 inches, 107 cm
