Description

Set of 6 William IV mahogany dining chairs. This set of 6 William IV mahogany dining chairs were made circa 1830. The chairmaker selected some fabulous dense mahogany timber to construct these exceptional chairs. The timber as it is so dense means these chairs are of a good substantial weight. The chairs have the very comfortable curved bar-backs. The shape conforms to your back and so makes it pleasant to sit at. The well-turned reeded front legs ending on peg feet. To the centre of the back is a carved central splat with shaped s scrolls joined at the centre by a stylised fan. 51cms wide 20ins 51cms deep 20ins 89cms high 35ins 49cms seat height 19ins All sizes are approximate We can arrange delivery nationwide or we can obtain a quote for it to be shipped overseas This item carries the Hingstons Antiques product guarantee plate.
