Description

This antique Victorian pollard oak campaign chest of drawers has a lovely mellow colour & plenty of character. The top & drawer fronts are pollard oak, while the rest of it is solid oak. It has brass corner fittings & inset brass military handles, all of which are nicely aged. This chest separates into two halves & sits on turned feet. It's in good condition with some natural old markings & indentations. The drawers all work well & have fine dovetails plus locks. I would date this chest to around the 1840's period & it's very fine quality. Width – 38 inches, 96 cm Depth – 19 inches, 48 cm Height – 41 inches, 104 cm
