Description

Good decorative set of four hunting scene engravings, set within their original and very lovely birds eye maple frames. They are in good original condition, original glass and they don't look to have been out of the frames at any point. This does mean that they have a very authentic look to the within the glass which you could say is grubby, but I rather like that! If you would like them cleaned, let me know and happy to do so. There is some foxing to the pictures themselves which won't come out, but not a concern when they are hung. The engravings are by RG Reeve and originally done by Henry Alken, consisting of Getting Away, The Full Cry, Drawing the Cover and finally The Death. Each picture measures: 24" or 61cm high 28 1/4" or 72cm wide Delivery to most England, Wales and Scotland addresses at £55 +vat, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
