Description

An extremely substantial, high quality, quarter striking carriage clock in the British style with an engraved dial mask and bevelled sight. Thick bevelled glass to all sides except the front which has a thin flat panel. The clock strikes the quarters on two gongs and sounds very clear through the shuttered back plate. You really do need to come and see this clock to fully appreciate the feel & weight of it. If you can't though we have uploaded a small video. It's also worth noting that the gilding is the original and very thick with a matt finish. 8 day duration and sold with a full 24month warranty.

Internal Ref: British Quarter striking
