Description

A fabulous silver mounted scent flask dating from the Victorian period. This outstanding example has a multi-facet cut body in vibrant acid yellow uranium glass. The hinged silver lid is in repousse work featuring floral motifs and opens to reveal the original peg stopper. The glass glows beautifully under UV light and this superb piece would make a welcome addition to any collection of antique scent bottles. Dimensions below. Postage and packing :- £8.00 UK £16.00 worldwide Condition :- Excellent, with no dents to the silver and no cracks or chips to the glass. Hallmarks :- None, not unusual for scent bottles of this size. Tests and silver. Date :- c1870. Origin :- English Length :- 13 cms. Width (widest point) :- 3 cms.

Internal Ref: ACA950
