Description

This hugely stylish Art Deco cocktail hospitality cabinet is a fantastic piece of Art Deco furniture and its internal features prove to be an incredibly appealing feature. The beautifully presented burr walnut top has a superb pattern of grain, and the stepped sides which flank it further increase the terrific presence of this piece. The fall is every bit as well finished and stands out brilliantly, while fitted with a working lock with key. When the fall is pulled down it also activates the top which raises into an upright position, and the two are connected to one another by chrome brackets. All of the fittings remain properly secured within the cabinet when the fall is opened and shut, and its reverse side is mirrored to stop any spillage from harming the lining. The back is also mirrored, and contributes furthermore to the overall appeal of this piece. The cupboard doors continue to exhibit fantastic burr walnut graining, while another pair of typically Art Deco handles are fitted, a sectioned bottle area inside which is generously sized for all your needs. The condition is excellent having been through our workshops and restored.
