Description

It's quite rare to find pairs of antique cabinets & this pair are really special. These cabinets are mahogany, bow fronted & have very bold carvings all over. They have just been brought over from Sweden & been French polished, so they are in excellent condition. I would say they date to around the 1910 period & they are very much Chippendale in style. They have gadrooned edges, four panels with corner carvings, more carvings all around the bases & strong looking ball & claw legs. They have to be sold as a pair. Width – 42 inches, 107 cm Depth – 20 inches, 51 cm Height – 33 inches, 84 cm
