Description

Outstanding solid 9ct gold gents wristwatch c1969. This is a very fine example of a gents classic wristwatch made by the world renowned premier retailer Asprey of London. The watch has the 17 jewels movement, as you can see it is in fabulous condition. The starburst dial with quick set date is in superb near mint original condition. It has gilt batons and baton markers. A new glass has been fitted and the case has been professionally polished so it is in superb condition. The case is hallmarked and dates this watch to 1969. It comes complete with a new premium quality chestnut brown leather strap and a new presentation box to keep your watch in perfect condition. If you prefer a black leather or extra long strap this can be fitted. Omega are one of the most exclusive watchmakers in the world and of course Asprey are known all over the world for their quality, this watch certainly has that understated elegance that whispers class. The watch case measures 34mm in diameter not including the crown. Overall this watch is in outstanding condition and highly sought after Asprey collectors indeed it looks as if it was rarely worn. The watch has been fully service...
