A 16th century panelled door

Price

Sold**Item Reference: SA620632****Date of manufacture: 16th Century**

Dimensions

Height = 61 cm (24.0")

Width = 82.5 cm (32.5")

Depth = 4 cm (1.6")

Description

A lovely 16th century panelled door probably French depicting three saints - from left to right Saint Barbara , Saint Peter and Saint Paul. All of the saints are depicted in niche like panels surrounded by molded borders and separated by two large split baluster turnings. The door has a superb rich and dark patina and has sustained wood worm damage in areas as you would expect for timber of this age.
