Description

This antique walnut chest of drawers is of high quality & has a wonderful double serpentine shape. The burr walnut veneers are exceptional with wonderful patterns. It has a cross banded top, canted corners & boldly shaped walnut legs with shell carvings. There are three drawers, with original brass handles & fine dovetails. It's in good original condition, with a lovely warm colour & I would date it to around the 1910-20's period. Width – 25 inches, 64 cm Depth – 16 inches, 40 cm Height – 29 inches, 74 cm
