## Description

A quite sensational hair comb dating to around 1890 / 1900, late Victorian in era. The handsome piece of glossy tortoiseshell is mounted with a silver (not tested for sterling) and paste top, with a crown in the centre, stunning and aristocratic. A few tiny flaws from manufacture where the mount was affixed, insignificant but mentioned purely for accuracy. A stunner in excellent condition with all stones intact; measuring 4" at widest x 4" long to top of crown. Item ID: 31614 ----- FREE Worldwide Registered Airmail; Insurance Optional.
