Description

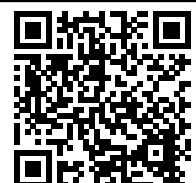

A wonderful find, especially in this double inkwell format, rare to find especially with the enamel all intact and without damage. There is an integral pen stand to the back which would accommodate two pens. The hinged lids of the inkwells are decorated with a cobalt blue guilloche enamel surrounded with a white enamel border in a Greek key design. Inside, the two glass liners are intact and without damage. A superb and rare find in excellent condition, measuring 5" x 2 1/2" x 4" tall to top of pen rack. The side of the inkwell has the English sterling silver hallmark, quite rubbed with the makers mark HM and I think for London, possible 1917. Item ID: 31615
