Date of manufacture: Regency

Dimensions

Height = 73.8 cm (29.1")

Width = 187 cm (73.6")

Depth = 116 cm (45.7")

Description

A handsome Regency period two pillar dining table; the dining table's well figured tops with an original central leaf raised on turned twin pedestals which are raised on elegantly swept and channel moulded legs which terminate in the original lion paw castors. Circa 1810 I selected this dining table because of the beautiful figuring of the mahogany tops and leaves and due to its attractive colour and patination. The table will comfortably seat 8 people.

Internal Ref: BA471
