Description

This is a very fine and exquisite example of a ladies wristwatch made by the world renowned premier Swiss maker Omega. It has a platinum case surrounded by diamonds and then more diamonds to the the most beautifully designed lugs, very much of the Art Deco era in design. As you would expect from Omega the diamonds are bright, crisp and evenly matched, there are 38 diamonds measuring 2.5mm in diameter and are old European cut which are deeper than modern day ones and there is between 2.25cts and 2.5cts in total. It has decorative engraving around the side of the case which is a sign of pure quality. It also has a faceted edged glass to give it that extra sparkle. The case was bespoke made by Vertex who who the premier makers from the 1930s through to the 1950s. The bracelet and clasp is of solid 18ct white gold and it just simply glides around the wrist. It has spring links which which shows no wear and they hold tightly against each other. There is a two position double safety clasp. It fits a wrist size of between 6.25 and 6.75 inches with no stretch and a maximum wrist size of up to 7.5 inches when stretched. The watch case is large and measures 23mm not inc...
