Description

Nice quality French Louis xvi style dressing table with a lift top mirror, additional storage and good drawer space too. Made in mahogany with tulip and ebonised stringing, 3/4 inlaid panels, standing on fine tapering legs finished with brass caps to all feet. This is a great solution to a dressing table that needs to free stand, or a dressing table that is located in a window and you don't want to fill the window with a permanent mirror...you just close the lid! Originally, this piece is known as a "coiffeuse" which would have been used for "wig work" hence the deep storage space. There is also a slide out surface in the centre above the drawer to give you additional surface. This is finished with its original gilt embossed leather top. Useful piece and plenty of space below to sit at with a full size chair or stool. Measuring: 29" or 74cm high 30 3/4" or 78cm wide 17 1/4" or 44cm deep 44 3/4" or 111cm high when the mirror is lifted 49" or 125cm wide when the sides are opened 21" or 53cm kneehole height Delivery to most England, Wales and Scotland addresses at £55 +vat, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are...
