ANTIQUE LONGCASE CLOCK

Price

Sold**Item Reference: SA62188****Date of manufacture: 1900**

Description

A spectacular 8 bell striking Edwardian longcase clock of Georgian design and proportions. A mahogany case with superb marquetry inlays to the case. Corinthian capped fluted hood columns and side glass hood apertures. Fretwork to the hood pediment with 2 original brass finials. A well engraved arched silvered brass dial with seconds dial, strike/silent lever and 4 or 8 bells chime lever. A quarter striking mechanism on bells with the hours on a gong of fine construction. 8-day duration with 3 brass cased weights. One of the best inlaid clocks from this period I have seen. Height 7ft 9" / 237 cms
