Antique Zoroastrian Jajim panel 128x53 cm

Price

Sold**Item Reference: SA622033****Date of manufacture: 1870**

Dimensions

Height = 53 cm (20.9")

Width = 158 cm (62.2")

Depth = 5 cm (2.0")

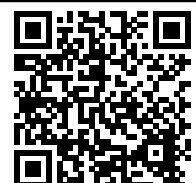

Description

A very fine and rare antique Zoroastrian Jijim panel from the city of Yazd in Central Persia. Extremely finely woven with exceptional colour. Professionally mounted on a stretcher frame, the piece would have been part of a wedding costume for an important person. Circa 1870. A stunningly visual piece of art that would look great in a super contemporary room setting.
