Description

This is a wonderful Victorian cast iron and copper fire fender. Dating to the late 19th century it has that classic design with copper details. As you would expect it is extremely heavy. It is in fabulous condition retaining the patina you would expect of a piece of this period. The measurements are: 49.5 inches or 126cm long 11.75 inches or 30cms wide 10 inches or 25cms high. Delivery within mainland England and Wales is included in the price. Please do not hesitate to contact us for further details.

Internal Ref: fender
