Description

This unusual embossed brass grape hod has an armorial coat of arms and was used for collecting grapes from the vines during the 19th century. Not many were made of brass and even less with the chateau's coat of arms. This hod retains the back fittings where leather straps would have held it to the harvester. This hod would make a fabulous kindling or log bin. Dimensions:- Height...34"/ 86.5cm. Width...13"/ 33cm. Depth...13.25"/ 34cm. Delivery to most of mainland U.K. £42.
