Description

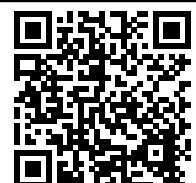

A good quality French CARRIAGE CLOCK by the famous maker: Alfred Drocourt. The case is of "Gorge" design with a large bevelled glass panel to the top, whilst the eight-day movement, which retains its original platform lever escapement, strikes hours and half hours on a gong, repeating hours at will, via the push button on top. The white enamel dial is perfect as are the original blued steel spade hands. 6.5ins high (handle up).
