Description

This walnut writing slope with all its original brass, top corners and side straps, has been cleaned and rewaxed. The internal leather has been replaced in the non too distant past and is in good condition. not split down the centre as many are. Really keen price for a tidy example in this sort of condition, especially as it is so tidy and still has the inks in place as can be seen in the pictures. There are some reassuring signs of use over the last 100 years or so, but you will not be disappointed especially as this is the keenest priced similar example we can find on Selling antiques. give us a call if you would like to discuss. 01565 874075
