Description

Antique Early Victorian Oak Cabinet on Stand @nd dating from around 1840. Constructed from quality oak it has a moulded edge to the top above two fielded panelled doors with carved lozenge to the centre and with chip carved door frame. It has a brass escutcheon and working key and internally it has a fixed shelf . To the base there is a deep moulded cornice with carved panel to the centre above three drawers all of which are pine lined with brass handles .
