## Description

This lovely SILVER LETTER OPENER was made by the well-known silversmiths of James Dixon & Sons in 1920. The solid silver blade is attached to a plain Mother of Pearl handle has a ringed embossed silver ferrule. Unusually, the handle is capped with a beautiful embossed silver top making this a very unusual and attractive item. With very little wear despite being almost 100 years old, this lovely letter opener would look lovely on any desk and would make a lovely gift for someone. (Box included).
