Description

This is a superb example of a gents classic wristwatch made by the world renowned maker Universal. It has a solid 18ct yellow gold case, the dial is in mint condition having been fully restored. The case is ultra slim making it the ultimate dress watch being only 2.5mm thick, this automatic 66 movement was introduced in 1966 and until 2003 was the thinnest movement ever made which is quite remarkable and it is running to its original specification. As you would expect from Universal the watch is fully marked on the dial and case. Universal are one of the most exclusive makers and this watch certainly has that understated elegance which resonates class. The watch case measures 34mm in diameter not including the crown. The watch has just been fully serviced and is guaranteed to be a genuine Universal in all respects. This watch has been fully and professionally overhauled, the process is highly detailed and meticulous. The watch is stripped down to its component parts and each part is examined under a microscope for signs of wear, any worn parts are replaced with genuine manufacturers original parts. every part is then thoroughly cleaned in a 3 stage ultrasonic cle...
