A really pretty set of late Regency or William IV period mahogany hanging WALL SHELVES in excellent original condition. Surmounted by a shaped and carved pediment, the three graduated solid mahogany shelves are supported on carved "S" scrolls to either end with well turned columns and finials. Difficult to source these days, these are fine shelves of good colour and patina, and come highly recommended. 32.5ins wide; 8.25ins deep; 31ins high (maximum).
