Description

An absolutely stunning Edwardian visiting card case / aide memoir, really very pretty, engraved on both sides. The engraving is exceptional with bows to the top with trailing floral garlands leading down to a full handled flower basket, exquisite! The catch works well and snaps shut perfectly. The interior is lined with a soft pink leather lining. The case doubles as an aide memoir with a bone tablet and a silver propelling pencil which I am yet to get working but there is lead inside. In one pocket, there are a couple of original visiting cards which I will leave intact with this piece. The silver is hallmarked for Birmingham 1907. Excellent condition, measuring 4 1/4" x 3" while closed. Item ID: 31644 ----- FREE Worldwide Registered Airmail; Insurance Optional.
