Description

A fine example of a small antique solid Sterling Silver sugar caster. It is a stylish good quality piece, weighing approximately 126g. It is hallmarked for Atkin Brothers, Sheffield, 1925. The marks are slightly rubbed but still readable. It is in good condition for its age. There are no major damages and it displays beautifully. There are some faint surface marks and a few light scratches and minor dings around the top part of the shaker commensurate with age but nothing detrimental. It has been gently cleaned and polished is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions please ask.
