Description

A fine pair of solid Sterling Silver sauce boats with elegant handles and a round foot. They are stylish and good quality weighing approximately 260g. They are both hallmarked for Charles S Green & Co, Birmingham, 1923. The maker's mark is partly rubbed but I do believe it is distinguishable. They are in very good condition. There are no major damages and they display beautifully. There are some faint surface marks and a few light scratches and small dinks but nothing detrimental. They have been gently cleaned and polished and are ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions please ask. Nationwide delivery £10.
