Description

RARE design 18th century George III Ladies walnut and brass folding boot jack. This is a really nice piece of woodenware. The hinge has been beautifully made with wood and brass. There is also a very nice shape brass part to either side of the hinge. I am pretty sure this is a Ladies one as it is a bit small for a man. Great original colour and patination with waxed finish. No damage. SIZE; 12" long by 3 3/4" wide when open. 6" by 3 3/4" when closed. CIRCA; 1770 - 1790
