Description

Gents 1950s Movado wrist watch. The watch has a signed 15-jewel hand-winding movement which is working nicely. The watch measures 33.5mm diameter excluding the winding crown and the lugs. The case is stainless steel and it is in good condition, just the odd small mark but nothing serious at all. The lens is in good condition. The signed dial is in good condition with original hands, a subsidiary seconds dial and outer minute markers. There is a shade or two of darkening but overall it has a really good look. A new leather strap has been fitted. The watch will be sent in a new presentation box.
