Description

A 1924 Art Deco Waltham pocket watch. The watch has a stem-winding movement, grade 220, which is working well. The movement is fully signed and the serial number 22686958 dates it back to 1924. The watch measures 44mm diameter excluding the winding stem and the loop. The case is 10 ct white gold filled and was made by the Wadsworth watch case company. The case is in good condition, with only minor marking from use. The glass lens is in good condition. The signed dial is very stylish and in its original finish, there is a little marking but again, nothing too detrimental. Blued steel Breguet style hands, a subsidiary seconds dial and an outer minute track. The watch will be sent in a new presentation box.
