Description

Rare and very decorative pair of Victorian long stools, fully restored and fully re upholstered. The stools have these fabulous turned and reeded, bulbous semi tulip style legs with a lovely rich mahogany colour tone to them and polished up very well. They are both fully restored, so the frames are solid and very comfortable for two adults to sit on each if required. They would sit well in a living room, as a pair of window seats perhaps, in a hall, on a landing, or perhaps also as end of bed stools. Unusual to find a pair still together. I have upholstered this pair of long stools in a good quality embroidered silk which has been lined, so it is totally safe for seating. Great quality pair and in excellent condition, ready to go. Measuring: 19" or 48cm high 42" or 107cm wide 18 1/2" or 47cm deep Delivery to most England, Wales and Scotland addresses at £55 +vat, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
