Description

1930s Lanco pocket watch by Langendorf. The watch has a signed stem-winding movement, calibre 1721, which is working nicely. The watch measures 47mm diameter excluding the winding crown and the loop. The case is chrome plated. The front is in good condition while the back has surface scratching, just from years of use. The glass lens is in good condition. The signed dial is in superb original condition with a subtle two tone finish, original hands, a subsidiary seconds dial and outer minute markers. The watch will be sent in a new presentation box.
