Description

Lovely French late c19th Trumeau style mirror in original paint and gilt, also with its original mercury mirror glass. Very decorative and great colour tones to the old faded or pale French green / grey and the gilding has aged nicely too. Some areas of the gilding have worn through more than others, but this is age and it happens to all of us! If you would prefer these areas were gilded, let me know as it is no problem to have them touched up. Great size mirror for an overmantle but would also hang well over a sideboard, console table, or you could just hang it alone too. Measuring: 66" or 167.5cm high 42" or 107cm wide 1 3/4" or 4.5cm deep (this is at the top cornice) Delivery to most England, Wales and Scotland addresses at £55 +vat, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
