Description

Very fine quality and elegant pair of French solid mahogany lamp tables or pair of bedside tables, circa 1920. The tables have lovely grain to the table tops, fine turned spindle columns down to the cane lower level and further turned column legs. They are a sleek design or style, lightweight in proportions but the square tops do give you a good surface area for a medium size lamp etc. The tables are finished on all sides, so they can free stand as sofa tables if required. There is a very slight difference to the colour tone to the table shown on the right here, due to a little sun bleaching. This is only really noticeable when they are placed right alongside each other, so when in place at home as sofa tables, you won't notice. Good condition and an unusual pair, both cane levels are in good condition too. Measuring: 28" or 71cm high 15 1/2" or 39.5cm wide / deep Delivery to most England, Wales and Scotland addresses at £55 +vat, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
