Description

For sale is a good quality Sheraton Style Satinwood Dining Suite. The suite comprises a large bow front sideboard, an extending table and six dining chairs. The sideboard is beautifully painted to the top, with swags and ribbons flowers and central picture showing a courting couple. Each of the doors are also nicely decorated, each having a cherub to the centre. The sideboard stands on tapering legs terminating on spade feet. The circular dining table has matching decoration to the sideboard and extends to accept an additional leaf. The table also stands on tapered legs raised on spade feet. The six chairs have a nicely shaped back with painted decoration above overstuffed upholstered seats, standing on legs to match the sideboard and the table. All of the chairs are structurally sound and the upholstery is good, but well used and would benefit from being re-covered to suit your decor. Overall, the suite is in very good condition, having only minor wear commensurate with age and use.
