Description

Nice quality and decorative set of freestanding or hanging shelves, made in solid mahogany with 3 shelves. This set of shelves has a carved cartouche to the top shelf, fretwork carving for the vertical supports and shelf backs, with fine turned column supports to the front. Waterfall effect for the shelves, getting deeper and wider towards the base. This shelf can be used freestanding, but I would be tempted to add a securing pin or fixing to the wall behind for peace of mind. Or you may prefer to hang it on your wall, in which case you would need to add two fixings at the base and also top level for support. Some losses to the tops of some small finials, but not terribly noticeable. Measuring: 24" or 61cm high 23" or 58.5cm wide 6" or 15cm deep Delivery to most England, Wales and Scotland addresses at £55 +vat, but please send me your postcode if you are a bit remote or coastal as it could be more...or you are very welcome to collect from me in Uppingham, Rutland
