Description

This is a very rare opportunity to acquire a perfect condition Art Deco Gents wrist watch which is what we call 'old new stock', that is to say it's of the period dating to the 1930's but has never been sold, marketed or worn, as you can imagine that's quite a rarity. We have been lucky enough to have sourced a few of these watches this year, all Art Deco styled and all dating and original to the 1930's. Watches in this condition, from those years are unique and difficult to find. Never worn this timepiece has been kept in a drawer for several dozen years. In May 2019 we had this watch fully serviced and as such it's in very good working order. The back of the watch is made of stainless steel and the front of watch is chromed. Nice, clean, high-quality movement, mechanical with manual winding, Art Deco, dial designates: Original, two-tone, silver-white dial with Arabic numerals, blued hands, hands and numerals with luminescent paint (the illumination doesn't appear to be working), unsigned dial, in top condition unworn from old inventory. The case is 30 x 22, 5 mm without lugs, with lugs 38 mm. Mechanical manual wind movement, 15 jewels, good working order, signed BIFORA...
