Description

For those gents out there who desire a less than generic looking watch, who aspire for something not only classy but very distinctively Art Deco then this maybe the timepiece for you! In May 2019 this watch had a thorough service, fully stripped, cleaned, oiled and timed to within an inch of it's life. Dimensions of the case without crown: 37 x 19 mm. Made by Markenlos, marked to the reverse. The dial is a original, yellow dial with Arabic numerals, hands and numerals with luminous material (this does not seem to be in working order), sub seconds dial, again excellent condition. The glass crystal is unscratched. Red leather strap adds to the wow factor to this watch. The watch is perfect both for everyday wear and for adding to the collections. Lovely watch any gentleman would love to wear. The case back is free of any engravings, shows no wear-through to the plating. All of our watches are sent out in complimentary presentation boxes, ideal for gifting and to store for personal collections. Free delivery within the UK.
