

SA628178

A 17th century joint stool

Price

Sold**Item Reference: SA628178****Date of manufacture: 17th Century**

Dimensions

Height = 48 cm (18.9")

Width = 45 cm (17.7")

Depth = 28 cm (11.0")

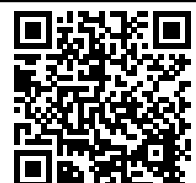

Description

A 17th century joint stool constructed from oak and having finely carved top rails and four turned baluster legs with peripheral stretchers. Originally the stool would have had four turned feet but these have unfortunately been lost in time. The joint stool has fantastic colour and patination and is in excellent condition with the exception of age related marks and some minor woodworm damage.
