Description

WW2 era 1940s Omega pocket watch. The watch has a 38.5L.T1 stem-winding movement which is working nicely. The movement is signed with the Omega name and the serial number 9,227,039 dates it back to the early part of the 1940s. The movement is protected by an inner cover. The watch measures 50mm diameter excluding the winding stem and the loop. The case is nickel and overall is in good condition with just some bruising to the back. The watch glass is in good condition. The signed dial is in lovely condition and has blued steel hands, a good sized subsidiary seconds dial and an outer minute track. The watch will be sent in a new presentation box
