Description

Gents 9ct gold Tissot Visodate Seastar Seven wrist watch. The watch has a hand-winding movement, calibre 782, which is working nicely. The case is 9 carat gold and is hallmarked for London 1963 so it ties up nicely with the serial number. The lens is in very good condition. The dial has a textured finish with vertical stripes. It is all in its original finish which is in good condition with original hands, centre seconds and date display (not quickset). A new leather strap has been fitted.
